

## How to Make

### A Birthday in a Box (or Bag)

Pick an age child (current ages are 2 – 18), and choose either a boy or girl to create your birthday box/bag for.

Find a large sneaker-sized shoe box in your home or purchase a gift box or gift bag, and gather the following items needed for a party!

#### Include:

- Box of cake mix
- Frosting
- Birthday candles (no matches please!)
- Wall decoration (like streamers, Happy Birthday Banner, etc)
- Party hats
- Plates
- Tablecloth
- Plastic ware
- Party favors
- Small gift - \$10 - \$15 value or gift card for teens

#### Then:

1. If using a box feel free to decorate it as you would like.
2. Fill the box or bag with the items you have gathered (add colorful tissue paper if you'd like)
3. Label with a tag that says age and gender box or bag is for.
