School Supply Drive Partner Kit

A Mom's Helping Hand of SWFL

Dear Friend,

Thank you for signing up to host a drop-off location for A Mom's Helping Hand of SWFL's school supply drive. As a drive partner, your name/logo will be included on our website and on social media.

The drive will provide vital supplies to students in need throughout the school year.

There were 93,167 enrolled in Lee County Schools from Kindergarten - 12th grade in the 17/18 school year. The latest figures show more than 70% of students need assistance with school supplies.

The need for supplies doesn't stop after the school year begins. That's why we continue to help with school supplies throughout the school year.

Instructions

STEP 1: SET UP YOUR BOX

Find a box to use - cardboard, plastic, anything that can hold supplies. Attach the sign provided. Feel free to decorate with your family, friends or co-workers. Place the box where it will be easily seen.

STEP 2: SPREAD THE WORD

- * Print the flyer and hand them out to your co-workers, friends and family. Leave them in your lobby, in break rooms.
- * Use the enclosed sample messages in emails and social media.

STEP 3: KEEP A TALLY OF SUPPLIES

Keeping a count is very helpful. Turn the tally sheet in with the donations. All donations are tax-deductible. Our Tax ID is 47-2650792.

STEP 4: DELIVER YOUR SUPPLIES

Deliver supplies by July 20th, our office hours are by appointment. Or give us a call for pickup. You are welcome to continue collecting since we will help replenish supplies throughout the year.

A watercolor palette with various colors and three brushes are arranged around a central poster. The palette is at the top, with brushes on the left and right sides. The poster is white with black and red text.
